

5,000 mAh Power Bank compatible with MagSafe and 20W USB-C

SKU: UQBB5000MAGPD20

Magnetic wireless charging and high-speed wired charging in a compact, lightweight design

Carry all the power of a **5,000 mAh Power Bank** in a compact body weighing just **115 g**. Perfect for charging your smartphone, earbuds or other compatible devices anytime, without sacrificing portability.

Power for the whole day

The **5,000 mAh** capacity is ideal for giving your devices extra energy when you're out and about and need an emergency charge. This way, you'll always have the power you need to keep using your device.

MagSafe compatibility: magnetic wireless charging

Designed to be compatible with **MagSafe technology**, the power bank magnetically attaches to the back of your iPhone, ensuring stable and secure wireless charging without cables. Ideal for **iPhone models compatible with MagSafe, as well as Android devices with magnetic or non-magnetic wireless charging** (in the latter case, the power bank will not attach to the phone).

20W USB-C port: universal fast charging

In addition to wireless charging, the device features a **20W USB-C port** with **Power Delivery (PD)** support, allowing fast charging for smartphones, tablets, headphones, Kindles and other compatible devices. You can also use it as a wired charger when you need maximum power in less time. The USB-C port lets you charge **two devices at the same time**: for example, a smartphone wirelessly and a pair of earbuds via cable. When the power bank runs out of power, you can recharge it through this port using the **included USB-A to USB-C cable**.

Compact and lightweight design

With dimensions of just **98 × 67 × 13 mm** and a weight of only **115 g**, this power bank is designed to fit comfortably in your pocket or bag without adding bulk. Its minimal, modern design pairs perfectly with your smartphone, offering a secure and comfortable grip. You can even keep your phone in your pocket while charging.

Safety and reliability

Power Delivery (PD) technology protects your device against overcharging, short circuits, overvoltage and overheating. The power bank ensures stable and safe charging at all times.

What makes it stand out

- High capacity: 5,000 mAh for multiple full charges
- MagSafe compatibility and magnetic wireless charging for Android

- Wireless charging also for non-magnetic Android devices
- Simultaneous charging of two devices
- 20W USB-C IN/OUT port with Power Delivery technology
- Compact design: 98 × 67 × 13 mm
- Ultra-lightweight: only 115 g
- Multiple protections for safety and reliability

What's included in the box:

- 1 USB-A to USB-C charging cable
- 1 user manual
