

2-in-1 Foldable Qi2 35W Wireless Charging Stand with 45W USB-C Charger and Cable Included

SKU: UQWIR2IN1QI225

Charge your smartphone and earbuds together with a foldable Qi2 solution, complete with a 45W charger and USB-C cable.

The **Fold Base 2-in-1 kit** includes a **35W Qi2 wireless charging stand**, a **45W USB-C Power Delivery wall charger**, and a **1-metre braided USB-C to USB-C cable**. It is a complete solution for charging a smartphone and wireless earbuds at the same time from a single elegant, space-saving station.

Can I charge a smartphone and wireless earbuds at the same time?

Yes. The charging stand allows you to power **a smartphone and a pair of wireless earbuds simultaneously**, keeping your desk tidy and free from additional cables.

Is the charging stand compatible with MagSafe and Qi2?

Yes. The charging stand features **Qi2 technology** and is compatible with **MagSafe devices**. Qi2 technology ensures a stable magnetic connection and wireless charging up to **25W** for compatible smartphones.

Is the stand adjustable?

Yes. The foldable design allows you to adjust the **height and viewing angle**, so you can use your smartphone in portrait or landscape mode while it is charging. Its compact, foldable design takes up little space and makes the stand ideal for a desk or bedside table, whether you are working, joining video calls, or checking notifications.

Are the charger and cable included?

Yes. The kit includes a **45W USB-C Power Delivery charger** and a **1-metre braided USB-C cable**, so you can use the charging stand straight away.

Can I also use the USB-C port on the charging stand?

Yes. The stand features a side USB-C port with an output of up to **5W**, which can be used to power an additional compatible device when needed. The USB-C port on the back is used to power the charging stand.

How can I tell whether charging is active?

The integrated **LED status indicator** shows that the charging stand is working correctly, allowing you to quickly check that the device is charging.

Key features
